# QUICK START

## INSTALLATION

Download and install the plugin

1. Download installable package *dp-intro-tours-pro.zip* from e-shop
2. Admin Board -> "Plugins" -> "Add New" -> "Upload Plugin"
3. Choose *dp-intro-tours-pro.zip* package, upload and activate plugin
4. Optionally you can tweak global styling and labeling in plugin's options
  - Admin board -> "DP Intro Tours"

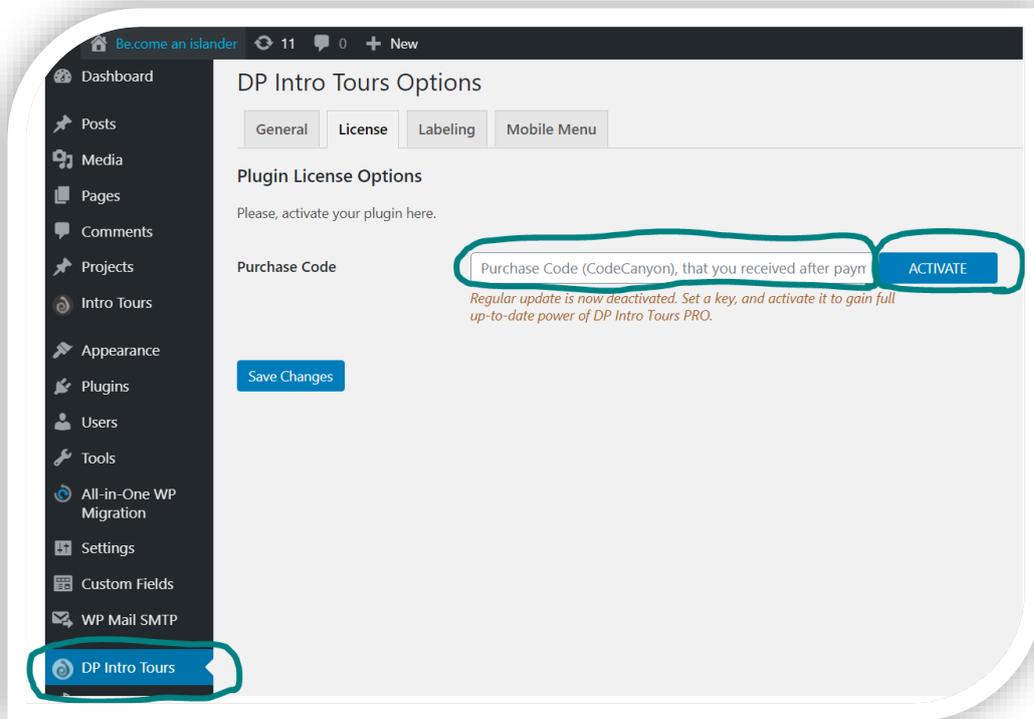

## ACTIVATION

Activate plugin license in plugin's settings. Chose following section based on shop where you bought a plugin

## I bought plugin at codecanyon.net (envato market)

1. Admin board -> "DP Intro Tours" -> "License"
2. Set Purchase Code ([How to find your Envato purchase code](#))

3. Press "ACTIVATE" button
4. After successful activation, plugin's update is enabled so you can reach new features, bug fixes and security fixes

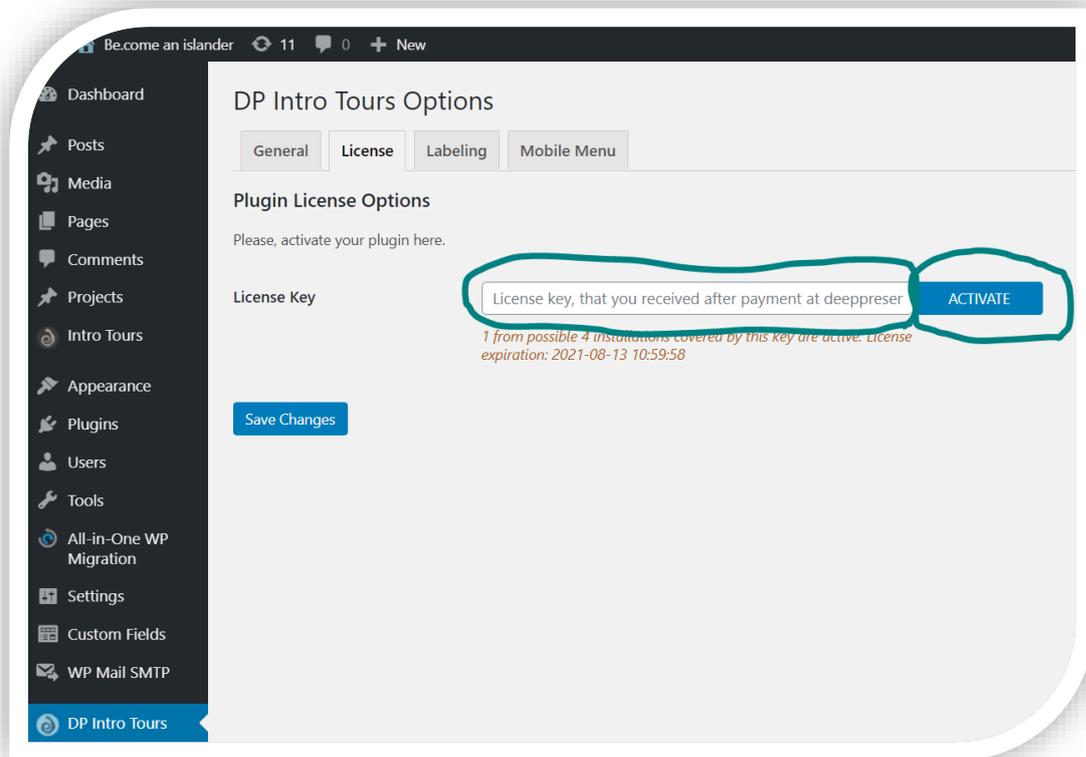

### **How to find your Envato purchase code**

1. Log into your Envato Market account.
2. Hover the mouse over your username at the top of the screen.
3. Click "Downloads" from the drop-down menu.
4. Click "License certificate & purchase code" (available as PDF or text file).

[How to find your purchase code – envato market tutorial](#)

## I bought plugin at [deeprepresentation.com](https://deeprepresentation.com)

1. Admin board -> "DP Intro Tours" -> "License"
2. Set License Key ([How to find your Deep Presentation license key](#))

3. Press "ACTIVATE" button
4. After successful activation, plugin's update is enabled so you can reach new features, bug fixes and security fixes

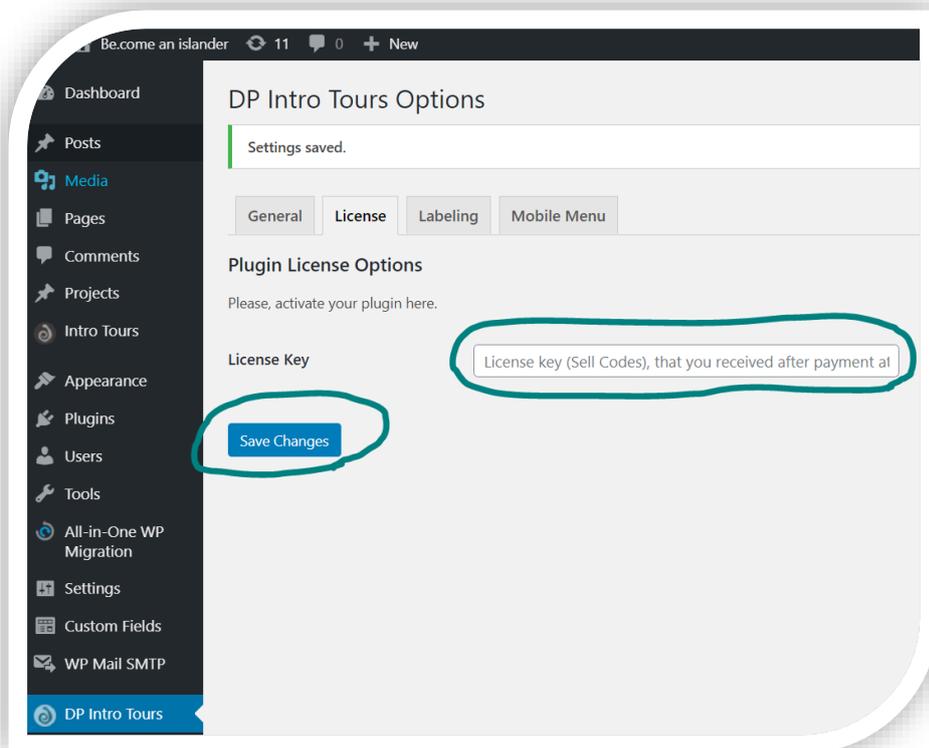

### ***How to find your Deep Presentation license key***

You should have received a license key at shop's page and also in e-mail after purchase.

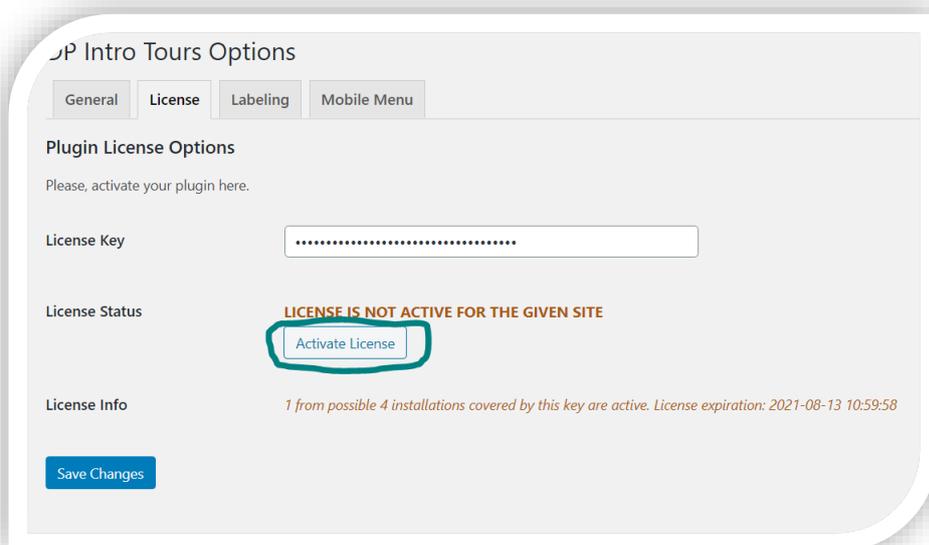

You can also always check it at: [deeprepresentation.com](https://deeprepresentation.com) -> [My Account](#) -> [Orders](#)

## I bought plugin at sellcodes.com

1. Admin board -> "DP Intro Tours" -> "License"
2. Set License Key ([How to find your Sell Code license key](#))
3. Press "Save Changes" button

4. Press "Activate License" button

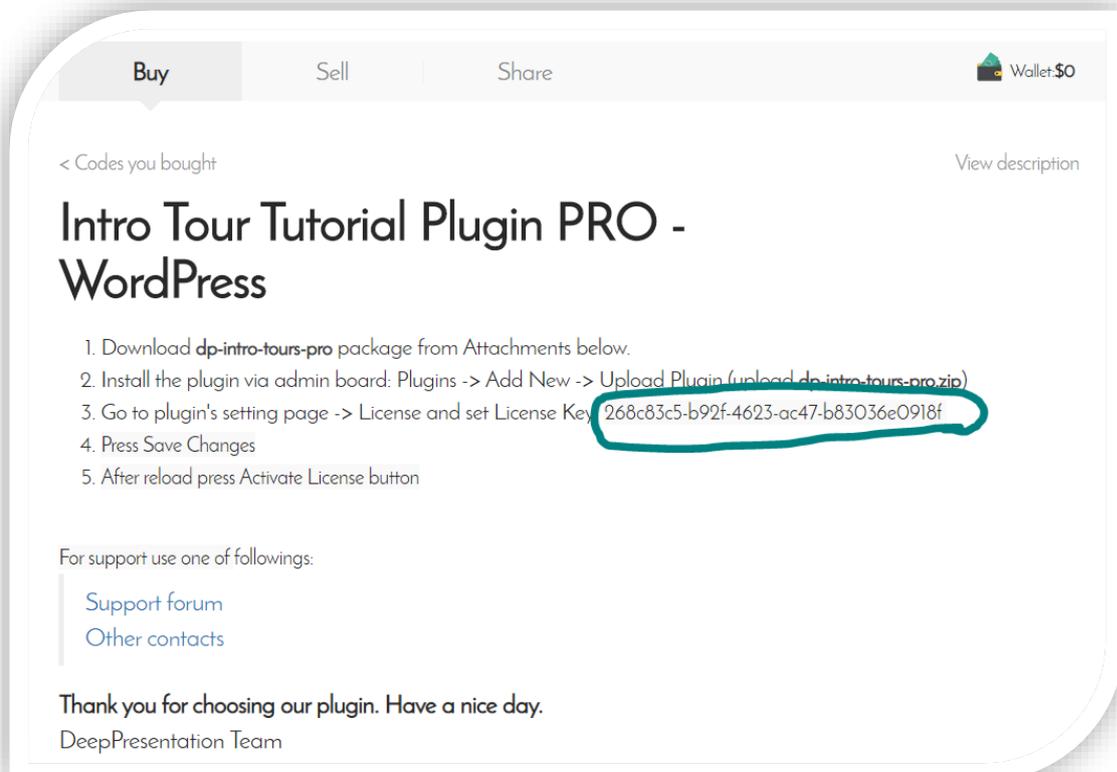

5. After successful activation, plugin's update is enabled so you can reach new features, bug fixes and security fixes

### **How to find your Sell Code license key**

You should have received a license key at shop's page after purchase.

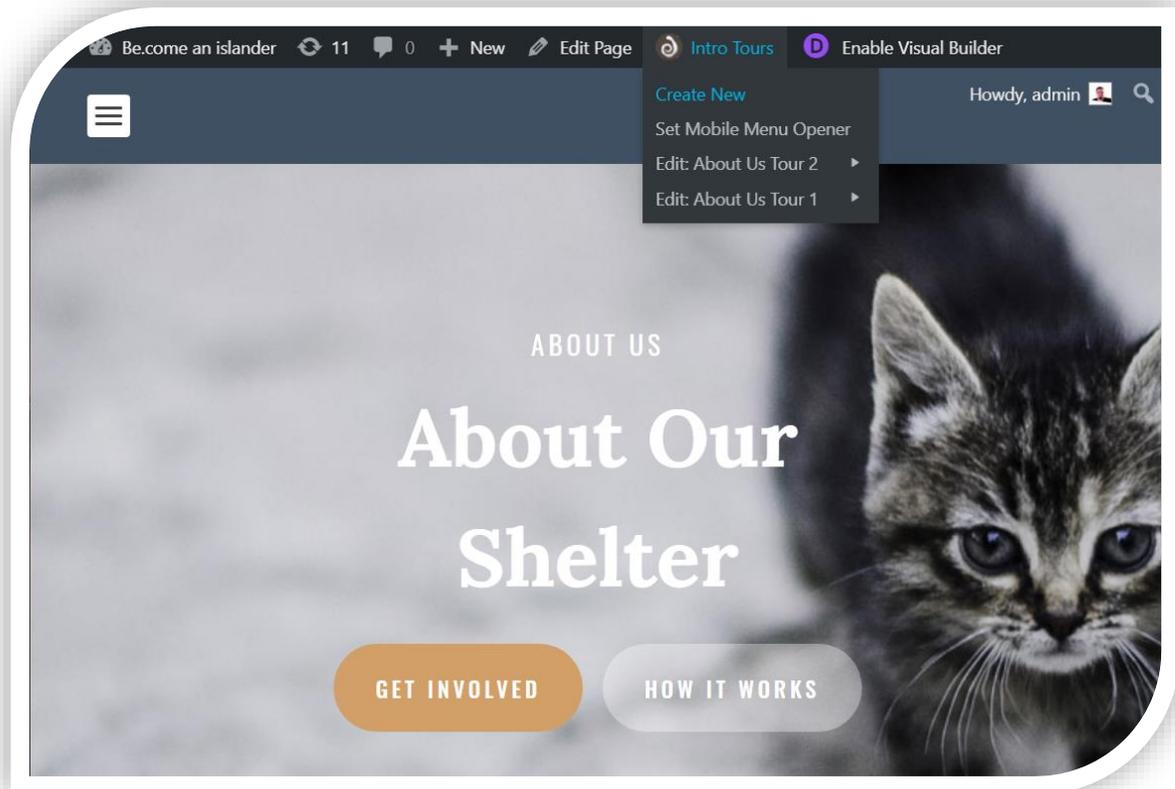

You can also always check it at: [sellcodes.com](https://sellcodes.com) -> Buy -> Bought -> Intro Tour Tutorial Plugin PRO - WordPress

The screenshot shows a user interface for purchasing a plugin. At the top, there are tabs for 'Buy', 'Sell', and 'Share', and a 'Wallet \$0' icon. Below the tabs, there is a navigation bar with '< Codes you bought' on the left and 'View description' on the right. The main heading is 'Intro Tour Tutorial Plugin PRO - WordPress'. Below the heading, there is a list of five instructions: 1. Download dp-intro-tours-pro package from Attachments below. 2. Install the plugin via admin board: Plugins -> Add New -> Upload Plugin (upload dp-intro-tours-pro.zip) 3. Go to plugin's setting page -> License and set License Key. The license key '268c83c5-b92f-4623-ac47-b83036e0918f' is circled in green. 4. Press Save Changes 5. After reload press Activate License button. Below the instructions, there is a section for support with links for 'Support forum' and 'Other contacts'. At the bottom, there is a thank you message: 'Thank you for choosing our plugin. Have a nice day. DeepPresentation Team'.

## START YOUR FIRST TOUR

1. Go to page (public view page), where you want to start an intro tour.
  - Choose Intro Tours -> Create New from top admin bar
  - Set a name for your tour

2. Follow an instruction there to specify your tour steps. You can check video tutorials and screenshots here: [How to setup your tour.](#)
3. **ADVANCED:** Optionally you can adjust step's target css selectors in tour configuration in admin board.
